# Wrangle up the Week!!

## Buckaroo Academics Week of Oct.10<sup>th</sup>-14<sup>th</sup>

**Reading:** In reading, students are working on comparing and contrasting characters in the story and comparing themselves to characters. Students are reading Dogs. The story informs readers on different jobs dogs can have.

**Writing:** Students have been learning how to write letters. There are five parts every letter must have: date, greeting, message, closing, and signature. We also begin researching our saints and forming our research papers on them.

**Math:** Students will have a math assessment on Monday. This will check understanding of addition with regrouping and word problems. Students will begin learning subtraction with regrouping and borrowing.

**Science:** Students are going to learn about plants. Students will learn about needs, parts, and photosynthesis.

### The class Rosary Box is still going around!

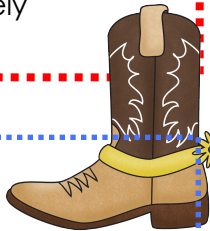

Our class auction for money the students have been earning will be on October 31<sup>st</sup>. Donations to the store would be greatly appreciated! Things from the Dollar Store, Target Dollar Bin, etc. are completely acceptable! Thank you so much!
