Wrangle up the Week!!

Buckaroo Academics Week of Oct. 3rd-7th

Reading: We will be finishing up My Family. Students will take a reading assessment on Thursday. The next story we are starting is Dogs. Students will practice author's purpose.

Writing: Students have grown tremendously in paragraph writing! I am very proud of them. We are continuing to integrate paragraph writing with literature responses.

Math: Students are still continuing to practice 2-digit addition with regrouping. We also begin adding 3, 2-digit addends and 4, 2-digit addends.

Social Studies: We are transitioning from familiar maps to maps that show us our world. Students will learn about continents, oceans, and where they are in relation to the rest of the world!

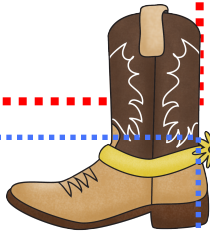

The month of October celebrates the Rosary. We have a class rosary box. Each student will get to bring the prayer box home. Even if you can't pray a whole rosary, try praying a decade! Everything you need can be found in our box. Make sure the rosary box is brought back each day!
